

## Disabled People's Forum Steering Group Notes 18<sup>th</sup> January 2007

**Present:** Jenny Collins (Bradford RSI Group), Rebecca Ward (Bradnet & Minutes), Neal Heard (BACC), Paul Anderson (Contact), Jill Grant (Bradford Access Action), Jagtar Bahra, (OutThere Club), Janet Cuff (Able All), Rachel O'Driscoll (?), Attia (Digital Life)

**Apologies:** Mandy Lewis, Bruce Barnes

## **Matters arising from last meeting:**

Jenny asked if it would be possible for the easier access event report to be forwarded on to the group.

## **Logo / Website**

Attia from digital life attended the meeting with various sample logos for the website. Lots of discussion took place.

It was decided that 3 sample logos would be sent to the group and everyone would pick their favourite for the website. The logo does not want to be too detailed as it may need shrinking down for stationary etc.

The website needs to be up and running by the end of March. Attia will look into using symbols and words on the website to make

it accessible for all. The possibility of using the wheel idea will also be looked at.

It was agreed that when the website is launched the following needs to be included:

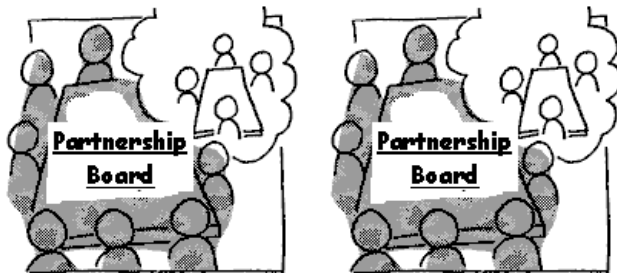

Logo

Vision of the group

Aims & Objectives

Contact & Organisation details of all members

## **Strategic Partnership Board**

The next meeting will be held on the 31/1.  
Neville Rowland has asked to come back to the meeting to discuss the issues raised.

## Membership

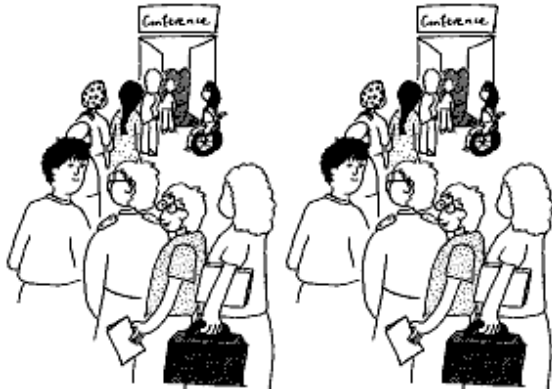

The group is still wanting more members however we are starting to gain good relationships with other groups.

## Steering Group Away Day

Neal will contact Jim Ledwidge to arrange dates and forward information onto the group. Neal will also look at the Cellar project as a possible venue.

## **Easier Access Event**

The group wants to hold a workshop at the easier access event. This is a good opportunity to promote the group and website. Building partnership for the day is essential. Paul will look at possible ideas for the workshop.

### **Any other Business**

International RSI day is approaching and Jenny asked if people were willing to display posters. Jenny to forward details on.
