## Strategic Disability Partnership Action Plan June 2010 - June 2011

### Background

|  |   |
|--|---|
|  | <p>Bradford had a BIG Plan. The BIG Plan tells us what the priorities of the District are and the National Indicators the Government expect us to improve.</p> <p>The members of SDP decided which of these priorities and National Indicators they thought</p> <ul style="list-style-type: none"> <li>• Were most important to disabled people and their carers</li> <li>• The Strategic Disability Partnership and its Action groups could help Bradford achieve.</li> </ul>                    |
|  | <p>We then decided what actions we would take. These have formed our Action Plan<br/>The Action Plan is divided into sections depending on which Action group is going to lead on the work.</p> <p>Each Action Groups Has a responsibility to</p> <ul style="list-style-type: none"> <li>• Have a detailed plan about how they will achieve each action</li> <li>• Ensure actions are carried out</li> <li>• Report Actions and progress to the Strategic Disability Partnership Board</li> </ul> |
|  | <p>At the end of this document are the National Indicators and Priorities of the BIG Plan. They have all been given a number. On the action Plan you will see a number that will tell you which priority or National Indicator the Action will most likely contribute to achieving.</p> <p>If you want to see the detailed action plans please contact the support officer listed for that group.</p>   |
